United States  
Census  
2010

Brunswick County Government and local municipalities are partnering with the United States Census Bureau to encourage you to participate in the 2010 Census.

The 2010 Census questionnaires will be mailed out in March. This will be a short 10 question questionnaire and will take about 10 minutes to complete.

April 1, 2010 will be Census Day, the official day of the population count. Completing this questionnaire is of vital importance for your community. The Census Data is used in a variety of ways such as legislative and congressional redistricting as well as for funding for schools, housing, child care centers, shopping centers, roads and much more. These improvements will have a beneficial impact on where you live.

Census data that is collected is private and confidential. By law, the Census bureau cannot share respondent's answers with anyone, including other federal agencies and law enforcement entities.

We encourage everyone to complete and mail back your responses upon receipt. Census workers will visit households that do not return their forms to take a count in person.

For more information about the 2010 Census, visit ([2010census.gov](http://2010census.gov)).
